

Dear FCC Members:

I enjoy the services of K-LOVE and would be sadly disappointed if it was taken off the air because of expanded LPFM stations.

K-LOVE provides a valuable service. We do not have a local station that provides the same type of music and programming. I listen to K-LOVE on a daily basis and would miss it tremendously. Their format provides contemporary christian music that is appropriate for myself and my children plus encouraging thoughts to help people of all ages.

Please do not expand the LPFM stations to the degree to take priority over the translator service. It is a mistake to think nationwide services aren't valued.

Thank you for your consideration,  
Darcy Arnold
